Sunset Pixel

A rounded PX mark with a gentle cream-to-terracotta sunset gradient and a soft dimensional edge.

Warm, memorable, and calm.

APPLICATION

Social avatar

Recognisable at a glance.

PRIMARY LOCKUP

Pixelix

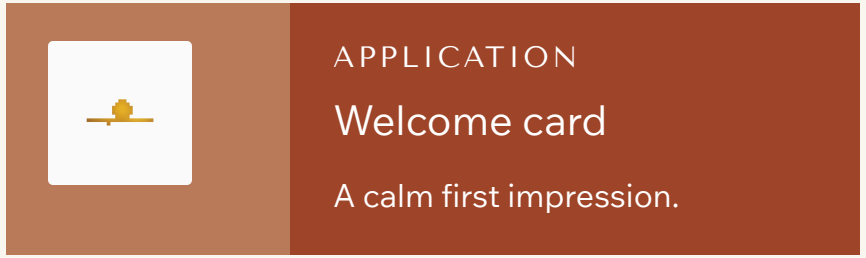

Made with GAMMA

Golden Horizon

A minimal horizon line rising into a pixel sun, paired with a refined Pixelix wordmark.

Professional, optimistic, and welcoming.

Pixelix

Made with GAMMA

Terracotta Orbit

A smooth rounded orbit wrapping a small pixel spark in warm terracotta and muted gold.

Friendly, modern, and flexible for digital use.

APPLICATION

Digital favicon

Distinctive in a small frame.

Pixelix

Made with GAMMA

Cream Glass PX

A soft translucent PX monogram with sand, cream, and dusty blue highlights.

Premium, clean, and easy on the eyes.

APPLICATION

Premium profile

Quiet polish for digital touchpoints.

Sage Sunset Bloom

A rounded pixel bloom combining sage, warm cream, and a restrained sunset accent.

Distinctive, approachable, and suited to social and print.

APPLICATION

Social and print

Warm enough for paper, clear enough for feeds.
